Dear Dick:

Enclosed for your review and acceptance is Amendment No. 1 to Contract No. OS-500.

The provisional rates have been accepted as proposed by you in your letter LN 548 dated 10 March 1959 except for the TDY Senior Engineer. Rather than apply a weighted average we have provided for Grades I and II. This, in effect, reflects the actual salary of each of your Senior Engineers who might fill the assignment, i.e., two Engineers at an actual rate of [] per month and another at [] per month. We hope that this Amendment as written is acceptable.

Sincerely,

DAN
